DESCRIPTION

You want to get better at shooting video, right?

This Hands-Online Camera Handling Training will teach you how to shoot beautiful videos with any camera.

This training is designed to teach you the ins and outs of professional cinematography - the art of making motion pictures. While there are plenty of video courses, it's hard to find a comprehensive course that teaches you everything you'd want to know about shooting video.

This is the course for you, taught by the **Award Winning Director/ Cinematographer Oluyinka Davids**. You will

- Learn the basics of getting great shots with any camera
- Use the manual settings on your camera to expose your shot
